

**TOP:** LTC Saunders, AFRIMS Chief, Immunology Division and SSG Posey, AFRIMS HR NCOIC provided training on how to properly treat the uniform for mosquitoes and ticks. SSG Posey also provided a class on the history of the Noncommissioned Officer and mixed in some basic Soldier professional development.

**LEFT:** LTC Saunders leads the way in front of a PT formation with medical Cambodian Soldiers from the 41<sup>st</sup> LN Medical Brigade. SSG Posey provides them with instructions on how to run in a PT formation before they head off on a two mile run. They sounded off really loud and the morale of the Soldier was extremely high.
